Subject: Andrey Kuzenny request for a help

Hi Dave,

I have a request for help from Andrey Kuzenny on his immigration matters. We need few forms to be signed by you ASAP and send over to his lawyers. This is simple support form that is saying that company is supporting him as a specialist with extraordinary abilities and considered as a petitioner for him. There is no obligations for the company in any matter apart of being a supporter. I am asking if you might have a minute to sign all those forms and ask someone in the office to send them with express courier services overnight delivery, please. This is very urgent and important. You know I would not ask you if it would not be that important. Thank you for your help. I will put Timur in a copy as we would also need two checks from company for the official fees to DHS, thus he may help to take care of that part.

Here is the instructions from lawyers:

1. Please have Dave Carlson as the CEO sign and date all the forms and letters with following instructions:

- G-28: print 3 copies, sign and date each on Page 3, Part 4, 3a & 3b;
- I-129: print 2 copies, sign and date each on Page 6, Part 7;
- O Sup: print 2 copies, sign and date each on Page 28, Section 2, Part 2;
- I-907: print 2 copies, sign and date each on Page 4, Part 3

2. Issue company checks for filing fees payable to US Department of Homeland Security, separately, in the following amount:

- I-129 filing fee: \$460;
- I-907 premium processing: \$1225.

3. Mail checks and signed docs to my office at the following address:

"Law Offices of Jacob Sapochnick

ATTN: Suzanne Andersen

1502 Sixth Avenue, San Diego, CA 92101" tel.(619) 819 92 04

Thank you very much!

Subject: Andrey Kuzenny

Dear Kristine,

→ As you probably know, Andrey Kuzenny (one of our major shareholders) has to be legally employed with Giga Watt, Inc - our company that signed the petition when he was applying for a working visa. According to this petition, Andrey is supposed to be employed as the COO. Although Anton Orlov was recently introduced as the COO of GW, we understand that Andrey's appointment is a mere formality, rather than implication of actual duties. It should be the earliest possible date.

@Anton, please remind what Andrey's gross salary should be. I guess you also have his photo ID, or whatever document might be required to get Andrey enrolled.

Kindly let me know when Andrey is put on payroll at GW.

Thank you

Best,

Tim Usmanov

Thank Mike,

These two employees are just in sales right? They are not putting together equipment or anything else?

Hey Mike,

Travelers can do the Workers Comp for down in California so I will need the names of the employees, hire date, how much they make per month gross wage and how many hours a week they work. Thanks Mike!
